Queen Maud 150th Anniversary NEW MINIATURE SHEET Page 4

Dear Customer!

When Queen Maud was crowned Queen of Norway in 1905, she became the first queen of Norway since 1319 who was not also the queen of Denmark or Sweden. This year marks 150 years since her birth. Enzo Finger engraved the stamp that will be issued as a miniature sheet.

This year it has been 40 years since NRK's Christmas program "Jul i Skomakergata" (Christmas on Cobbler's Street) aired for the first time. It has also been 20 years since "Jul i Blåfjell" (Christmas on Blue Mountain) first aired. Both programs created wonderful memories for generations of Norwegian children, and will be celebrated on Christmas stamps during this anniversary year. Camilla Kvien Jensen designed the beautiful stamps.

There are lots of good reasons to take a closer look at this year's year book. The book has also this year become a showpiece for Norwegian stamps. Read more in this magazine.

The first stamps next year will be issued on 21 February. But before we get there, we will celebrate Christmas. All of us here at Norway Post wish you a truly Merry Christmas. And remember to send your Christmas letters in time.

Kind regards,

Halin Eastory

Halvor Fasting
