# Dear customer!

**Three well-known authors** celebrate their centennial this year. Kjell Aukrust, Anne-Cath Vestly and Jens Bjørneboe have been influential, both in their era and later. Their literary works stand as monoliths of Norwegian literature. Egil Nyhus has designed the stamps that were issued on 19 March.

**The Norden stamps** are celebrating mammals this year. For our motif, we chose a photo by the award-winning nature photographer Audun Rikardsen. The orca under MS Fugløyfjord from Tromsø was adapted to stamp format by Camilla Kvien Jensen and will be issued 17 April.

**Vindhellavegen in Sogn** is one of the country's most spectacular stretches of roads. It was once part of the main road between the east and the west and an important postal route. Ancient postal routes are the theme of this year's Europa stamps. Jørn Olaf Jøntvedt designed the stamp that will be issued in a beautiful miniature sheet on 17 April.
