# Dear customer!

**Stories and myths** are the theme of this year's Europa stamps. Here in Norway, we have rich traditions in this area, with lots of stories about encounters with both trolls and forest nymphs! We have issued stamps on several previous occasions depicting trolls. This time, the motif is taken from the movie *Troll Hunter*. The beautiful forest nymph was drawn by illustrator Victoria Nordgaard.

**2022 offers no** less than four royal birthdays. Princess Ingrid Alexandra turned 18 in January, King Harald turned 85 in February, and later this year we can celebrate Queen Sonja's 85<sup>th</sup> birthday and King Haakon VII's 150<sup>th</sup> birthday. Trond Bredesen illustrated the beautiful portraits for the stamps. This issue is also the theme of this year's prestige booklet.
