Dear customer!

We are living in uncertain times, and there is a war in Europe. PostEurop therefore decided at an extraordinary meeting last year that this year's theme for the Europa stamps should be peace. This year, the issue date and motif are the same across Europe. The motif was chosen through a design competition, which Luxembourg won.

Jakob Weidemann is considered one of the most important artists in Norwegian modernism and a pioneer of abstract painting. For the 100th anniversary, a beautiful miniature sheet is being issued that also includes the artist's portrait. Enzo Finger designed the miniature sheet.

Crown Prince Haakon and Crown Princess Mette-Marit both turn 50 during the summer. For this celebration, Norway Post is issuing two stamps along the same lines as last year's series on royal anniversaries. Trond Bredesen has also drawn these motifs.

Norway Post will change its prices on 1 July, and the updated stamp programme for the rest of the year can be found on page 10.
